

## YOU ARE A REGULAR IN MANAGING MEDICAL AFFAIRS?

We are looking for a  
Medical Affairs Manager (m/f/x)

Location: Heidenheim/Berlin/remote (Germany)  
Starting: at the next possible date

### YOUR DESTINATION:

THE FORCE builds companies for companies in the healthcare, pharmaceutical, and medical devices sector.

We encourage work in a flexible surrounding and as a diverse group when it comes to gender, nationality, religion, and ways of working. This unique culture is aimed to integrate employees and partners seamlessly into one organization.

Likewise, this organization shall easily adapt to customer organizations. Our unique way of operation will release THE FORCE to solve customer problems in a fast, effective, and efficient manner.

In all of this, people are and will be at the center of our attention, and the most valuable asset we have: People are our strength. They make us THE FORCE.

### A TYPICAL DAY TRIP FOR YOU:

- You reside as the interface between R&D, Regulatory Affairs, Marketing and Sales.
- You provide first-class vital Medical Information and compelling scientific dialogue to meet regulatory requirements, achieve business objectives, and enhance customer experience.
- You collect relevant information like souvenirs and use it to develop a marketing strategy.

- You accompany the market launch journey of new drugs by informing doctors and clinics, and advising them on possible areas of application, side effects or interactions.
- You upgrade medical staff and sales representatives by giving them the necessary trainings.
- You monitor the marketing of medicinal products, visiting all legal and ethical aspects along the way.
- As the contact person for doctors, clinics and drug commissions, you offer your vacancies for medical questions relating to the marketing of pharmaceutical products.
- Your cruise will include working both in the office and in the field.

## THE BEST WAY TO GET A RESERVATION:

- You've booked in completed studies in human medicine, pharmacy, biology or chemistry, or studies in a related natural science field.
- You're well-travelled in the pharmaceutical industry, with contacts in the pharmaceutical sector.
- You've got a comprehensive understanding of medical, scientific, and pharmaceutical processes in your luggage.
- You carry profound knowledge of the national and partly international market and competition.
- Business management thinking doesn't feel exotic to you.
- Your high degree of personal responsibility guides you through day-to-day work.
- Thanks to your assertiveness, communication skills, confident manner and negotiating skills, customer orientation, and abilities as a team player, working with both clients and colleagues is a breeze for you.
- With your knowledge of them, regulatory matters are just a walk on the beach for you.
- Your English skills deserve a 5-star rating.

## READY FOR THIS TOUR?

If you can envision all of this as a more permanent getaway, send us your application directly via our application form.

Please note that we require all application documents in English.
