

We are looking for a
Financial Accountant (m/f/x)

Location: Heidenheim/Berlin
Starting: at the next possible date

YOUR NEW CAVE:

THE FORCE builds companies for companies in the healthcare, pharmaceutical, and medical devices sector.

We encourage work in a flexible surrounding and as a diverse group when it comes to gender, nationality, religion, and ways of working. This unique culture is aimed to integrate employees and partners seamlessly into one organization.

Likewise, this organization shall easily adapt to customer organizations. Our unique way of operation will release THE FORCE to solve customer problems in a fast, effective, and efficient manner.

In all of this, people are and will be at the center of our attention, and the most valuable asset we have: People are our strength. They make us THE FORCE.

WHERE YOU'LL DRIFT TO:

- You make sure that the accounting team does not collide and therefore take care of:
 - review, account assignment, and posting of invoices for accounts receivable and accounts payable
 - management of asset and bank accounting
 - preparation of monthly, quarterly, and annual financial statements
 - preparation and submission of reports to the authorities
 - reconciliation and clarification of supplier, customer accounts, and general ledger accounts
 - monitoring of accounts and incoming payments.

- You bear all ongoing accounting tasks in mind and deal with them, such as processing and monitoring payment transactions, or bookkeeping in cooperation with our tax advisor.
- You don't give us the cold shoulder when our growth requires support in other processes and financial projects.

WHAT'LL KEEP YOU FROM SINKING:

- A completed training or a degree in finance and accounting, taxation, bookkeeping, or economics will prepare you to weather any storm.
- Ideally, you haven't kept your paws off the practical side of accounting until now.
- Thanks to your experience when it comes to DATEV or comparable accounting software, you aren't on thin ice when working with them.
- With your ability to learn, teamwork skills, excellent organizational talent, and strong problem-solving abilities, you'll master the day-to-day accounting work and make sure even tight deadlines won't snowball into problems.
- Thanks to your German and English skills alike, your head doesn't swim when communicating both orally and in writing.
- With your analytical skills and affinity for numbers, figures don't make you freeze.
- Your MS Office skills are not in hibernation.
- With your team player qualities and your understanding of service, you melt customers and colleagues alike.

YOU SEE YOURSELF IN MORE THAN JUST THE TIP OF THE ICEBERG IN ALL OF THIS?
