

IN PROCUREMENT, YOU'RE ALWAYS TWO LEAPS AHEAD?

We are looking for a
Procurement and Supply Chain Manager (m/f/x)

Location: Porto/Heidenheim a.d. Brenz/Berlin/Riga or remote (Portugal/Germany/Latvia)

Starting: at the next possible date

WHAT YOU'RE HOPPING ONTO:

THE FORCE builds companies for companies in the healthcare and pharmaceutical sector.

We encourage work in a flexible surrounding and as a diverse group when it comes to gender, nationality, religion, and ways of working. This unique culture is aimed to integrate employees and partners seamlessly into one organization.

Likewise, this organization shall easily adapt to customer organizations. Our unique way of operation will release THE FORCE to solve customer problems in a fast, effective, and efficient manner.

In all of this, people are and will be at the center of our attention, and the most valuable asset we have: People are our strength. They make us THE FORCE.

HOW YOU'LL JUMP RIGHT IN:

- You leap right at working with customers, including senior level stakeholders, to execute procurement and supply chain projects and to ensure a consistent delivery.
- You've had more than a brief brush with operating model design, cost & productivity optimization, and procurement transformations.
- By always being on the hunt for outstanding results, you make our clients' processes simple, scalable, and cost efficient.
- The ability to apply insights to a customer's situation for meaningful impact is part of your tricks.

- You easily bounce to adapt to the varied corporate cultures and organizational structures of our customers.
- With your ambition, you help the procurement practice to leap forward, both when it comes to internal innovation and ecosystem partners alike, in order to drive incremental value for clients.

HOW YOU'LL CAUSE A SPRING IN OUR STEP:

- At minimum a bachelor's degree or an equivalent work experience build your springboard.
- With at least of 3-5 years of experience in procurement, supply chain, or consulting, you don't have to take a leap in the dark in these areas.
- You do know how to make head or tail out of procurement and supply chain methodologies and concepts, and are able to translate them into strategy and implementation.
- You are a fox when it comes to stakeholder, relationship, and supplier management alike.
- Instead of jumping down other peoples' throats, you use your team player qualities, a focus on improvement, a strong drive for results, and outstanding written and verbal communication skills.
- You are crafty in problem solving and conflict resolution.
- Your analytical skills aren't easily outfoxed.
