

We're looking for a
UI/UX Designer (m/f/x)

Location: Antalya
Starting: at the next possible date

You like to do an impressive job, but at the same time want to develop yourself so you can grow and mature from soldier to Jedi? Then take the chance to spread your wings and become part of our team.

WHAT YOU'RE LEAPING INTO:

- You work closely with the engineers on all current expeditions.
- Your understanding of software requirements allows you to keep your head above the water when translating software into designs.
- You immerse yourself in creating wireframes, prototypes, storyboards, user flows, and process flows using Figma.
- You conduct user research and evaluate user feedback to enhance the user experience by more than a drop in the ocean.
- You hop into maintaining and improving the solutions' design systems and style guides.
- By keeping up with industry trends, you're always one jump ahead.

THE FEATHERS YOU HAVE IN YOUR CAP:

- You've done more than just dip your toes in engineering and have a successfully completed university degree in Computer Engineering or Electronic Engineering (THE FORCE is a Teknokent registered company in Turkey, only graduates from the two disciplines listed above are eligible for recruitment). (MANDATORY REQUIREMENT)
- You're located in Antalya. (MANDATORY REQUIREMENT)
- You're interested in exploring an exciting field of work.
- With your strong organizing abilities, you manage your day-to-day swimmingly.
- Your communication skills in English enable you to break the ice with customers and colleagues alike.
- You're chill when working in Figma thanks to your high proficiency.
- You don't freeze when it comes to responsive design and interaction design.
- Your portfolio is in pole position.
- Your proficiency in user-centred design principles goes deeper than just the tip of the iceberg.
- Your knowledge in the core values of graphic design, colour theory, and design theory gives wing to all your projects.
- Ideally, other design tools like Adobe XD don't ruffle your feathers, either.
- For male candidates in Turkey, military duty should be completed.

YOUR NEW HEMISPHERE:

THE FORCE builds companies for companies in the healthcare, pharmaceutical, and medical devices sector.

We encourage work in a flexible surrounding and as a diverse group when it comes to gender, nationality, religion, and ways of working. This unique culture is aimed to integrate employees and partners seamlessly into one organization.

Likewise, this organization shall easily adapt to customer organizations. Our unique way of operation will release THE FORCE to solve customer problems in a fast, effective, and efficient manner.

In all of this, people are and will be at the center of our attention, and the most valuable asset we have: People are our strength. They make us THE FORCE.

READY TO DIVE INTO THIS NEW ROLE?

You know you've got what it takes to take wing in this position? Then we look forward to receiving your job application directly via our application form.

Please note that we require all application documents in English.
